航空事業との親和性を考慮した 宇宙に関わる新規事業の創出推進

# Why does ANA Group work for Space Business?

#### Helicopter

The first privately run air transport company in Japan

#### Air Transportation

Air transportation connecting Japan and the world

#### **Airline related Business**

Space Business since 2018

Next stop, space (次は、宇宙へ。)

# Sustainable growth by expanding our business into space

Now, ANA HOLDINGS INC. and ALL NIPPON AIRWAYS TRADING CO., LTD. are leading the development and promotion of space businesses across three domains:

- ✓ Space Transportation
- ✓ Data Link via Sky & Space
- ✓ Supply Chain Management for Space Systems

# Positioning & Potential Partners

# Positioning:

- ✓ Only airline operator working on the multiple space businesses
- ✓ Service provider on B2C, as well as B2B & B2G
- ✓ High reliability and hospitality based on the name of "ANA"

### Potential Partners: Who are interested in and seeking such as;

- ✓ Astronaut training
- ✓ Vehicle maintenance and safety operation knowledge
- ✓ Observation from aircraft
- ✓ Satellite component sales and Payload sales
- ✓ Other aviation-derived solutions
